

The **Copernicus Master in Digital Earth (CDE)** is a two year full-time integrated Erasmus Mundus Joint Master Degree (EMJMD) Programme.

This English language MSc Programme accepts outstanding candidates towards double degrees. Students study Earth Observation and Geoinformatics in year one. Two Specialization Tracks provide a pathway towards excellence in GeoData Science as well as GeoVisualization in year two.

EMCDE: First Call for Applications – Guest Lecturer

Call open: February 19, 2019 – March 14, 2019

>>> Please refer to <https://www.master-cde.eu> before proceeding!

Guest lecturers bring added value to our international ‘European Master’ students, are interested in contributing to this study programme and are motivated to strengthen relationships with CDE partner universities.

Who can be invited as a scholar / guest lecturer in an Erasmus Mundus Joint Master Degree (EMJMD)?

Scholars / guest lecturers can be academic faculty or geospatial professionals world-wide.

Activities include: teaching / training in residential courses or summer schools, contributing to the promotion and dissemination of the CDE Erasmus Mundus study programme.

EMJMD Scholarships

The CDE Consortium shall award scholarships to invited scholars and/or guest lecturers for one to several weeks. PLUS-Salzburg serves as host university during semesters 1 and 2; UBS-Vannes and UPOL-Olomouc during semester 3 (see semesters: <https://www.master-cde.eu/programme/semester/>).

Formal requirements are:

- Scholars will spend a minimum of one week and a maximum of three months teaching at one of the consortium partner institutions.
- Scholars can be affiliated with CDE partners or associated partners, or any other organisation outside the consortium.
- Remuneration for visiting scholars will be determined by the consortium and typically includes contributions to travel, accommodation and additional subsistence costs.
- The host university will provide office space and assistance with travel and accommodation.

VISITING PERIODS & ACTIVITIES @	 UNIVERSITY of SALZBURG	 Université Bretagne Sud	 Palacký University Olomouc
Topics	Please check curriculum (https://www.master-cde.eu/programme/curriculum/)!
